2. Are there ways that you have given your experience more weight than you have given the Bible, in regard to the miraculous or anything else?
3. Have you seen any healthy expressions of any of the miraculous gifts? If so, how have they served to build up your faith or the faith of others?
4. Are there any ways that the miraculous might serve to build up us and our faith? (If so, spend time praying for the Spirit to accomplish that.)
