

Holy Ghost Revival: Recovering the Practical Power of the Spirit

Discussion Questions

Week 6: Gifts of the Spirit Pt. 2

1. What were your thoughts on the six gifts discussed in the teaching, from Romans 12:3-8? Were any of them described differently than you previously understood them?
2. Describe any ways that you've seen people gift others in serving, teaching, exhortation & encouragement, generosity, leadership, and/or mercy? What did these gifts look like in practice, and how did God use them?
3. In the teaching, Eric mentioned that a gift is an "unusual effectiveness in a responsibility given to all followers of Jesus." Are there any of these things that you find yourself not participating in because you don't feel gifted in them? What does it look like to grow in those responsibilities?
4. For help discerning a gift, Eric mentioned we could ask the following questions:
 - What do I have the *ability* to do?
 - What am I *passionate* about?
 - What have others *affirmed* in me?

Do any of those questions help you identify things that the Spirit might be doing in you?
What are they?
